

# LOCAL RADIO WINS ON THE ISSUES THAT MATTER

## ✓ ENGAGEMENT

# 9

# out of 10

Americans listen to AM/FM Radio every week, reaching more of the electorate than any other medium, even TV.

## ✓ CAMPAIGN AMPLIFIER

Radio is a perfect complement to TV, engaging consumers where TV falls short – during the day and away from home. Radio usage tops TV during daytime hours (6am to 4pm), while TV viewing peaks in the evening. Candidates who incorporate Radio into their campaign strategy will benefit from Prime Time coverage throughout the day.

## ✓ VOTER INFLUENCE

New research suggests that Radio can be as impactful as Television in influencing swing voters. Audio is capable of promoting feelings of trustworthiness and inspiration – on par with TV. Audio also demonstrates the ability to drive candidate preference at levels equal to TV.
